Financials

We ended the year on a great note financially! It was a little shakey toward the end, but gentle reminders and consistent prayers have provided us with the most cash in the bank since the beginning of the program.

This does not mean we can go out and spend, spend, spend however. This program is dedicated to serving those in the Community who need a nutritious meal—and our spending habits will remain frugal and specific.

In this newsletter, there is a section on upcoming menus. We

are going to try some more fun and unusual meals which require a little more money. We'll see how they are received and possibly continue them for future dates.

Reaching & Serving

At our last liaison meeting, we again discussed the possibility and feasibility of getting more folks to our meals from Nevada City. We know that Divine Sparks meets every Sunday for lunch at the Madeleine Helling library with many of the homeless and needy—and we are hoping to develop a more positive relationship with this group.

One idea is to pay their bus transportation to Grass Valley on our meal nights! The buses run later now, and the schedule shows a perfect window of opportunity to achieve this.

Tickets would only be **\$2 per person**. God has provided us with the more funds this year. Now we must pray for the proper use of these funds. ***Please pray for Divine Sparks' participation and also pray for their trust in us.***

Work Schedule

Schedule is posted below. It is now online at:

Upcoming Menus

Our March 9 meal will consist of corned beef, boiled cabbage, cole slaw, cookies, and ice cream.

On March 30, we will have chili, cornbread, salad, brownies, and ice cream.

In April we will tentatively schedule pizza and spaghetti with sauce. On May 11, we are planning enchiladas (something new for our program!), and in June we'll throw in a taco salad or Chinese chicken salad to keep things exciting.

As usual, send me your comments, corrections, and other feedback to nb0208@yahoo.com, Nan Spier

Please continue to pray for this program.
