Welcome our new volunteers

Dick Kessler is quite a guy. He is our “coffee guy” and don’t ever mess with him when he’s workin.’ He makes sure our guests have plenty of hot coffee—and he starts VERY early. He carefully prepares the coffee pots and puts every last drop into each one.

Dick has been a volunteer for

years—WAY before I came into the picture. I commend him for his organization. He knew that he was not going to be able to work on June 29th, and what does he do? He rallies together a whole bunch of people from **Sierra Pines UMC!** What a great help you volunteers were during our busiest Friday this year. Next time you see a new face, I’ll bet they’re from SPUMC. So please welcome them and make sure they feel at home.

Thousands of Thanks!

I want to thank all of you who helped take care of our guests while I was in Africa on a mission trip for Twin Cities Church. Maybe I should leave more often!! Look at the amazing attendance records.! What is going on this summer?

I am afraid I might leave someone out if I start naming people, but I’m going to risk it anyway. Just remember: God knows who you are, and I pray that you will forgive me and know that He appreciates all that you do!

Curt did an amazing job running the program. He has substituted in the past, and as usual, survived the craziness!

I especially want to thank **Jim and Linda, Gerry and Carol, Tom and Thelma, Patricia, Judy, Dick, Larry, Dorothy and George,** and our long time Greeter, **Dorris.** And out of retirement for the entire month of June, **Bob and Margie** helped out while another regular volunteer from **Peace Lutheran** is undergoing medical treatments

for cancer. I don’t want to name her, but if everyone could please say a big prayer for our friend’s health and quick recovery, I’m sure she would appreciate it.

As usual, send me your comments, contributions, corrections, and other feedback to nb0208@yahoo.com, Nan Spier

Please continue to pray for this program, the guest, volunteers, cooks, and finances.
